This is the second edition of Jazz in CLZ. This summer we invite lovers of good music on three exceptional concerts. At the beginning of July we await meeting with Anna Serafińska, who will present songs both classic and with a repertoire of popular music. Then, halfway through the holiday, we will have the opportunity to listen to the band Szymon Łukowski Quartet. Our guests will present songs from the mainstream of world jazz in the Polish edition. At the end we are waiting for Dorota Miśkiewicz concert with the accompaniment of Marek Napiórkowski. The author of such works as "The small beings" and "Beyond Time", will demonstrate us their unique jazz style.
