

Renting of rooms and equipment

Rooms

The Centre rents rooms for the purpose of organisation of various kinds of events (i.a. meetings, conferences, product presentations).

Assets of the rented rooms:

- air-conditioning,
- wireless Internet access,
- technical equipment (sounding, multimedia projectors),
- a wide variety of office furniture enabling space arrangement that suits individual needs.

Equipment

The Centre is in the possession of a wide selection of sounding, lighting and multimedia equipment.
